**Timber Carving with Uisdean Paterson**

This course is aimed at the absolute beginner and provides a good introduction into the world of wood carving. The course will create enthusiasm for the craft and will display how attractive items can be created. Concentration on the achievement of results rather than the theories of wood, tools, techniques and such like, is a particular feature of the course. The instructor is a true master of this craft and many of his carvings are displayed in and around Stornoway. Numbers are limited to a maximum of 8 people on this course.
